

Dear SVNC,

As many of you know, on Sunday Governor Inslee released new requirements for our state as we face a surge of COVID-19 cases. Some of you have been wondering how these requirements affect our church.

We will still be meeting for in-person worship on Sundays at 9:30 AM, but there are a few things that will look different. In compliance with the latest requirements, our music will be led by Jennifer Walker with no additional worship team, and we are asking the congregation to refrain from singing.

I realize these changes are not what we desire. However, I want to remind you that worship is not primarily about songs that we sing; rather, worship is about the attitude of our heart. God is still with us, and so we humbly gather to worship God with every part of our being.

If you have any concerns about attending in-person worship, please feel free to worship online through Facebook or Vimeo. Your health and well-being are important to us; we encourage you to worship in a way that is comfortable and safe for you.

For more information, check out today's Midweek update on Facebook or Vimeo.

As always, if you have any questions please do not hesitate to contact us and know that you are loved!

Grace and Peace!

*Pastor Mark*
